

Alberta Weightlifting Association Annual General Meeting  
August 24, 2019  
David Thompson East, Radisson Hotel Red Deer

Present: Evan Taylor (x10), Jennifer Hamilton (x6), Larry Mather, Clarece Mather (x2), Jackie Regehr(x9), Denis Humin, Haylee Johnson, Jordan Browne, Michael Korte, Chris Lemky, Jeremy Ghent (x4), Lu Dong (x3), Tim McKenna, Margo McKenna, Brian Latimer, Randy Singh, Cole Marshall, Brennan Link, Ken Gavina, Josh Martin, Connor Fletcher

### **1) Meeting Call to Order**

**9:05am**

### **2) Review Past minutes**

Motion to accept past meeting minutes Denis, second Jordan Brown

### **3) Executive Reports**

#### **a) Secretary**

- i) Jr/ Youth membership is down.
- ii) Motion to accept Brennan, second Evan

#### **b) Treasurer**

- i) Switch to electronic transfer of payments, spent more on international athletes.  
Motion to accept, Brenna, Second Jeremy

#### **c) VP Admin**

- i) Working on tracking volunteer hours more effectively. Policy and procedures are still being developed, coach selection and code of conduct policy, working on athlete funding and third party participants at competition. Casino in Q2 of 2020 at Century Casino. Date will be given in November. Motion to accept Brennan, second Michael Korte.

#### **d) VP Tech**

- i) 2 NCCP clinics with 32 participants. No Comp dev is being planned for 2020, however there is a clinic in Sask in October which is open to Alberta coaches. NCCP workshops are being streamlined through AWA, with plan of 2 per calendar year with additional clinics as needed. Jr Nationals committee has met twice, and will be applying for 2 grants for the event.
- ii) Evan asks about Comp Dev clinics in the future. No immediate plans, however based on numbers the AWA is open to bringing in a facilitator. Otherwise coaches need to go out of province.
- iii) Motion to accept Brennan, second Denis.

#### **e) President**

- i) 9 sanctioned competitions, with many athletes showing well at National events, as well as winning best male team at Westerns. 2 athletes competed at Pan Ams, and we have 4 athletes competing at World Championships. Significant work is needed to be done to get to the National Body goal of 5000 members.

Alberta will host Westerns in 2021, switching with Saskatchewan due to Westerns proximity to Jr Nationals in 2020.

- ii) Motion to accept Ken, second Jordan

## **New Business**

### **4) 2020 Junior Nationals Update**

i) Update on process, venue has been secured at Ross Shep, on January 18. Ross Shep venue booking has been taken over by City of Edmonton, which means booking will need to be done well in advance. Mayfield Double-Tree has been booked for the event.

Sub-committees have been organized, and equipment that was needed was purchased to supplement current inventory. Gerry Fox is currently looking at competition platforms for the event. T Shirts and logo have been organized, currently in process of ordering medals. Event will be single platform. Note on athlete qualification, last year was Class 4, and will likely be increased.

ii) Evan asks whether it will be a Youth/ Junior event. Only Junior event.

iii) Clarece reminds everyone the event is bilingual.

iv) Ken brings up advertisement and that this is something that they will be pushing heavily for this event in order to get higher attendance.

v) The event will have Guy Cormier assisting in promoting the event. Full streaming services will be available for the event. Vendors and health service providers will be attending the event as well.

vi) Larry asks about admission charge for the event. Grants (City of Edmonton Investing Grant 4k, Alberta Sport Connection Grant 10k) being applied for will be used to offset the loss of revenue from admission charges. Apparel will be on sale for parents and spectators as well. Evan asks about donations/ GoFundMe. This has not been discussed, however there are discussions regarding sponsorships for the event (one contract being negotiated is a water company). Larry advises that under AGLC rules we are able to run a 50/50 or Bingos. Denis brings up stretching volunteers thin, which is something we will need to be mindful of.

vii) If there are any other ideas please reach out to Ken or Brennan about them.

### **5) Provincial calendar**

i) Thanksgiving is Oct 14, move to October 5. Jeremy brings up that moving Valhalla up, then we would need to move OPF in 2020. Traditionally we have avoided competition on long weekends due to lack of volunteers. Clarece brings up that historically we didnt worry about Stat holidays. Josh brings up wanting to have a buffer before Jr Provincials as its the only qualifier for Jr Worlds. Brennan doesnt believe athletes will enter Valhalla and then enter OPF just to compete, as the reason for moving OPF was Jrs, and Valhalla will be for Srs. Location plays a impact as well.

ii) Jr Provincials is in Calgary this year. Steps have been taken to secure venue for it. Valhalla will host it. Qualification

iii) Lu brings up whether Valhalla should be Open. Clarace says we are not meeting the definition of "open", and because Valhalla is a qualifying event it should not be Open. Lu brings up that having an event that is sanctioned and open doesnt make sense, and that brand new

lifters should not be at these events, due time and resources needed for the event. Wait list was long hurting lifters looking to qualify, Josh brings up the soft registration open as a way to fix that. Lu reiterates that first time lifters should be at club competitions. Brennan brings up that its a structured system in place to get athletes competing. Lu is simply saying we don't need to have some of these competitions sanctioned which leads to less volunteer requirement and strain on TOs. Lack of technical officials is a huge issue within the association due to travel in the winter. Clarece advises we have enough officials, but the number of events and travel is the issue. Ken thinks the big issue with how club competitions are being controlled, and we arent set up to control it this year, but working our way there. Not all club competitions have sent documentation in to Ken to approval. Discussion around how sanctioned and open is defined.

iv) Lu thinks AWA should be deciding qualification standards, rather than club, as club is looking for its own plans, rather than AWA priorities. Larry says he sets the standard he does for Hokkaido is so he doesnt have to spend all day at the event. Evan doesnt think we should be limiting opportunities to new athletes to compete. Lu expresses concern about policy being created and not thinking about the consequences of the people who have to execute on it.

v) Brennan brings up that there is a consequence either way, if we reduce the athlete cap we lose revenue. Ken brings up issue that its consistently the same volunteers at each competition, and we need to look at how we will enforce the volunteer policy. Jeremy asks about how the distinction of TO and set up/ take down is, and whether we need to look at separating that volunteer time. Brennan explains that when a club takes ownership of a meet they are responsible for set up, take down and loading. Michael brings up if its an association problem or if volunteers are not doing what they're supposed to do.

vi) Brennan presents putting the club competitions on the calendar so all athletes know and we can drop down the registration cap for sanctioned meets. Larry says that often times PP club meets are not done with enough notice to get on the calendar. Jen brings up that how with her club being small, they arent able to host a club competition, so they depend on the open competitions.

vii) Chris asks if we can put multiple competitions together over one weekend, such as putting Jr and Sr provincials together over the same weekend. Ken brings up qualification timeline for national events, but also costs for officials and venues, but something to look at. Cole brings up the complaint changes to driving late and whole weekend taken up. Clarece brings up that a survey was done, 50% of officials said they would rather have the whole weekend once every 3 months. Lu circles back about how the original point was to make some competitions unsanctioned which takes the burden off higher level TOs, would also make higher level athletes compete against each other. Josh is fine making Valhalla unsanctioned as a dry run to see how it goes. Ken proposes have 2 qualifiers for Jr Nationals, making Valhalla unsanctioned, however Jordan brings up that with the short notice its not fair to some athletes. Lu says we can have them as guest lifters on a case by case basis. Ken proposes unsanctioning 2 events, Farm Strong and OPF 2020 will be unsanctioned, per Evan and Jeremy Peak Power, Hokkaido, Valhalla will be sanctioned in addition to Jr and Sr Provincials.

viii) Ken motions to change Farm Strong Open 2020 and OPF Open 2020 to an unsanctioned event: motion passes.

ix) Clarece asks if Peak Power will be an event again, and if we need it? As no representatives are not here from Peak, we will monitor situation, will be marked as tentative.

x) Qualification for Jr Provincials, Evan expresses concern about lack of competitions for Jr lifters and whether we should put a qualification standard on it. Lu asks if Jr Provincials is the place to shore up Jr competitions. Jeremy thinks this is an issue were are years down the road. Real issue is a place for Jr/ Youth to feel comfortable competing. Jr Provincials we keep Open, with next year exploring the idea of specific competitions for Jrs and limiting Jr Provincials. Clarece brings up that there are some rules on how much you need to lift before you can compete. Have Jr Provincial qualification standard as the minimum per TCRR.

xi) Sr Provincials will be at Evolve North. Class 1 male, Class 1 Female. Jeremy to ask Kevin, Tentative OPF.

xii) Jr Training camp was in Edmonton. AGLC did not approve the funds from Casino account. Farm Strong hosting.

xiii) Alberta hosting Jr Nationals

xiv) Larry says Hokkaido is Class 1 and Class 2. Location TBD.

xv) Gordan Kay proposed in Calgary. TO hosted 2019. Host TBD. Lu mentioned numbers are growing and we could have an issue going forward. Gordon Kay qualifier is any previous competition experience.

xvi) Tentative OPF Westerns Training Camp

xvii) Farm Strong location TBD

xviii) High Schools to be confirmed. Still required to be Edmonton and area students. Jeremy has been working with public school officials in Calgary to try to look at integrating into their current plans.

xvix) Look at Sr Nationals training camp in Saville. Tentative Farm Strong

xx) Unsanctioned OPF September 5. Open

xxi) Brennan motions to accept changes to 2019/2020 calendar. Second by Jordan

## **6) New Website Construction**

i) Looking into new website plans. Tim mentioned Esportsdesk can host the website.

## **7) Recognition of Volunteer Staff**

i) Number of volunteer staff. Thank you to Brennan, Josh, Cole, Ken, and Connor, Andrew Pretty, Elizabeth Potter, Clarece Mather, Tim and Margo McKenna, Kevin Zimmerman, Renee, Nick Pawliuk, Carrie Holestead, Evan Taylor, Amy Moolyk, Gerry Fox, Danny Schultz, Hannah Gray, Donald Anderson, Lu Dong.

ii) Brennan asks for nominations for Assistant Equipment Manager to help out Gerry Fox. Email to be sent to membership.

## **8) Policy Update**

### **a) Coaching Selection - Danny Schultz**

i) Evan brings up unaffiliated athletes being included in coaching selection criteria, and should be a member of the club in order to declare a coach. Cole expresses issues with barrier to entry, and how does the AWA police how much time the

coach has spent developing an athlete. In a situation where an athlete is blatantly abusing the system the executive would deal with that on a case by case basis.

b) Policy Update: Volunteer policy

- i) Casino shifts are required for funded athletes. Lu brings up administering volunteer policy on an athlete level and on a club level. Unaffiliated athletes would be covered under athlete requirement, with clubs having their own volunteer hour requirement. Look at upping hours per athlete, or tier system. Look at amend the volunteer policy. Have procedure for tracking hours with the competition director. Look at moving to volunteer credit system, needs to be further discussion to sort out how this would be weighted, or have athletes on national team members put in specific volunteer spots. Denis brings up a portal or a way for athletes to self report their hours, concern about abuse with an honour system. Amend policy to differentiate casino shift from regular volunteer hours.

**9) Other**

a) **Motion to approve auditors Coyle and Company to stay as current bookkeepers/ auditors. Passed**

b) **Coaches Committee**

- i) Nominees are Brian Latimer, Kevin Zimmerman, Charles Mather, Danny Schultz, Josh Martin. Membership approves.

**10) Elections**

**A) President**

Michael Korte has been nominated and accepted. Brennan will not run again. Michael Korte is by acclimation elected. Motion by Ken, Second by Clarece. Brennan will be removed from signing authority.

**B) VP Admin**

Larry Mather nominates Josh Martin, Josh accepts. Josh Martin is by acclimation, elected. Motion by Michael Korte, second by Lu

**C) Secretary**

Cole Marshall nominates Connor Fletcher, Connor accepts. Voted by acclimation. Motion by Jordan, second Ken.

**11) Adjournment**

Motion to adjourn by Brennan, second by Evan. 12:17PM

## **Alberta Weightlifting Association Secretary Report**

As Secretary my primary responsibility is to communicate information to membership and maintain meeting records. This year the Executive held 8 meetings, with all meeting minutes being available on the AWA website.

Membership statistics ending May 31, 2019

	2017/2018	2018/2019	% Change
Youth	47	34	-28%
Junior	49	38	-22%
Senior	260	264	8%
Total	334	336	1%

As Secretary I also oversee the AWA social media pages. The AWA Facebook page has approximately 1000 followers, and the Instagram page has approximately 570 followers. Thank you to Kevin Zimmerman and Andrew Pretty for taking the lead on Facebook and Instagram respectively.

The Alberta Weightlifting Association has 8 registered clubs:

- 1) Power Plus Weightlifting
- 2) Olympic Power and Fitness
- 3) Peak Power
- 4) Valhalla
- 5) Mac Strength
- 6) Moolyk Strength and Conditioning
- 7) Athabasca Weightlifting
- 8) Farm Strong Athletics

Several other unaffiliated clubs have expressed interest in becoming affiliated, and are in the process of doing so.

As the membership numbers above show, it will be important going forward to place an emphasis on Junior and Youth athletes and discuss ways of keeping them involved in the sport long term.

Regards,

Connor Fletcher

## **ALBERTA WEIGHTLIFTING ASSOCIATION 2019 AGM**

### **VICE PRESIDENT ADMINISTRATION REPORT**

#### **Josh Martin**

As VP Admin it is my duty to submit travel expenses for competitions, organize the Casino, and develop the Policy and Procedures manual.

Volunteer support at competitions seems to continue to be an issue for some clubs, as well as recruitment of new Technical Officials. It seems that our tracking methods for volunteering are getting better. Setting expectations for athletes to volunteer at competitions is always a challenge, and that starts with the coaches of clubs. The low number of affiliated clubs could explain the challenge in developing TO's as well as maintaining expectations of volunteering.

Developing the Policy and Procedures manual is an ongoing process. Current policies in progress are for Funding for Athletes, and Funding for Coaches. Essentially, we develop policy on an ad hoc basis. I think we need a comprehensive guide for hosting competitions, and club competitions. The guide should be accessible on the website as a resource for our province.

We have Casino coming up this next year, and I have confirmed the Century Casino as our location for the April, May, June Quarter. We will receive notification of when the Casino is in November, where I will begin the process of organizing our volunteers. I'd like to give precedence to our national and international athletes for first pick of volunteer slots to help accommodate them better as they benefit more directly from Casino funds.

In close, it is exciting to see that we are sending four athletes to Worlds, as well as hosting Junior Nationals. As much as we have to work on, it's important to also focus on our successes as a province.

-Josh Martin

## **ALBERTA WEIGHTLIFTING ASSOCIATION**

### **2019 PRESIDENTS REPORT**

**Brennan Link**

During this competition season, the AWA has had 9 sanctioned competitions among Westerns, Junior and Senior Nationals. A highlight of the year was winning the mens' team title at the Western Canadian Championships along with many national level medals. For Westerns, we sent 9 men and 9 women resulting in two full A teams for men and women. We had 7 gold and 7 silver medals.

We had 14 athletes (6 women and 8 men) attend Junior Nationals which is the largest team we have ever sent and an increase by 2 from last year. This is always an important developmental experience for our juniors and we won 1 gold and 2 silver medals at this competition. Prior to the competition, a successful Junior training camp was organized and solidified competition expectations, goals and it increased the familiarity of the athletes and coaches.

We had 15 athletes attend Senior nationals this year (7 women and 9 men) and increased by 3 from last year. Alberta earned 1 gold, 2 silver and 3 bronze medals.

The AWA had two athletes compete internationally:

W 65 kg Nadia Yangui ranked 8th at the Pan American Championships in Guatemala.

W 55 kg Hannah Maminski ranked 11th at the Pan American Championships in Guatemala.

Matt Lee, Ryan Meidl and Haylee Johnson will be going to the Senior Worlds in Thailand.

The number of athletes competing at all levels has continued to increase and we are seeing more athletes hitting the national and international standards as well as achieving higher rankings.

## **Nationally**

There has been a slight increase in national members over the past year. The registration reported on May 17, 2019 was similar as compared with 2937 the past year. Significant member is required to try to move toward our goal of 5,000 members. We need to be diligent in increasing our membership numbers nationally to reach this goal.

The 2020 senior nationals will be in Kelowna, British Columbia and the 2020 junior nationals will be in Edmonton, Alberta at Ross Sheppard High School. The 2020 Western Canadians will be in Saskatchewan or Manitoba. Alberta has switched years with Saskatchewan or Manitoba and we will be resuming order in 2021. The trade was made to provide relief from holding Junior Nationals in close proximity to hosting a Western Canadian Championships. With both these national events happening in Western Canada, it may drastically affect the amount of medals or rankings that the western provinces may achieve.

The CWF Executive remains the same after the National AGM elections with the following:

Craig Walker, president (Paul Barrett stepped down from 16 years of President)

Richard Mason, vice-president administration

Vacant, secretary-treasurer

Don MacNeill, vice-president technical

## Issues and Ongoing Challenges

New weight classes have been determined by the IWF and will be used for future competitions within the AWA, Canada and internationally (Olympics with same classes but some removed). There are 10 weight classes for each gender as seen below:

Women (10): 45, 49, 55, 59, 64, 71, 76, 81, 87, +87 kg

Men (10): 55, 61, 67, 73, 81, 89, 96, 102, 109, +109 kg

Qualifying totals for Junior and Senior Nationals are in the attached document.

We continue to have our competitions well attended and have decreased our number of competitors for our meets by 19 spots this year to 378. We need to continue to discuss ways to encourage club meets to promote junior and new lifters and also, qualifying standards for our meets to further increase these numbers.

We continue to use Esportsdesk membership system has been a positive step for us and will make the registration for memberships and competitions easier for our members and membership chair. It has been a valuable tool for statistics on membership and membership revenue. We have also introduced it as the registration means for NCCP coaching courses.

See the attachment for the President's 2019 National AGM Report.

Sincerely,

Brennan Link

# ALBERTA WEIGHTLIFTING ASSOCIATION 2018 - 2019 ANNUAL REPORT

**PRESENTED AT THE  
ANNUAL GENERAL MEETING OF THE  
CWFHC  
La Prairie, Quebec  
MAY 17, 2019**

### **Administration**

The executive for the AWA includes:

Brennan Link (President)

Josh Martin (VP Administration)

Ken Gavina (VP Technical)

Connor Fletcher (Secretary)

Cole Marshall (Treasurer)

### **Funding**

The AWA's principal source of funding is through the Alberta Liquor and Gaming Commission's AWA casino dates which we provide volunteers for. This occurs approximately every two years. The last casino dates were June 14-15, 2018 and the next casino dates are to be determined. The use of these funds are mainly for

athlete/coach/officials' funding to competitions, competition hosting and other related expenses. Other sources of income include competition and membership entry fees. The largest expenses for the AWA budget are athlete funding and competitions. We continue to remain in a good financial position.

## 2018 - 2019 Membership – 336 total paid memberships

	2016/2017 Total	2017/2018 Total	2018/2019 Total	% Change from last year
<b>Youth</b>	34	47	34	-28 %
<b>Junior</b>	40	49	38	-22 %
<b>Senior</b>	260	244	264	+8 %
<b>Total</b>	334	340	336	-1 %

We have seen a slight decrease in our total membership from last year by 4 members. There is a decrease in Youth/Junior membership by -28%/-22% and an increase of Senior members by 8%. We continue to use an online based membership system, Esportsdesk, which is easier for members to buy memberships, register for competitions, pay for apparel and for our secretary to track those statistics.

**Membership Fees:** Senior - \$75, Junior - Free, Youth - Free

Juniors and youth are free for them to offset the cost of competition. If they aren't required to pay the membership fee, they are inclined to participate in more competitions. This cost structure is approved by our membership but still under evaluation.

**Competition Fees:** Senior - \$75, Junior - \$75, Youth - \$75

## Registered Clubs

1. Athabasca Weightlifting - Athabasca
2. Farm Strong Athletics - Edmonton
3. Mac Strength – Calgary
4. Moolyk Strength and Conditioning - Edmonton
5. Olympic Power and Fitness - Edmonton
6. Peak Power - Calgary
7. Power Plus – Edmonton
8. Valhalla Weightlifting – Calgary

## Provincial Competition Participation Summary 2018 - 2019

Date	Competition	Location	2017/2018 Athletes	2018/2019 Athletes
October 13, 2018	Valhalla Open	Calgary	60	60
November 10, 2018	Junior Provincials	Edmonton	36	33
December 8, 2018	Senior Provincials	Calgary	54	32
January 26, 2019	Hokkaido Cup	Edmonton	40	29
February 9, 2019	Gordon Kay Masters	Calgary	23	47

September 7, 2019	OPF Open	Edmonton	48	Not yet occurred. (48*)
		<b>TOTAL</b>	397	378*

From October 2018 to the end of September 7 2019, we will have held 9 sanctioned competitions and 6 during the qualifying period for nationals. The total number of lifters competing this year will be 378\* if the 2019 OPF competition September 7 is status quo at 48\*. This will be a decrease of 19 lifters from the previous year. 5 out of 9 competitions are open competitions and 4 have qualifying standards to ensure our top athletes are able to qualify for further competitions.

The AWA had 16 athletes compete at the 2019 Junior Nationals which is an increase from the 12 athletes in 2018. AWA had 16 athletes qualify for the 2018 Senior National Championships this year which is an increase from the 14 athletes in 2018.

## Communications

The Alberta Weightlifting Association's primary methods of communication are the AWA website [albertaweightlifting.com](http://albertaweightlifting.com) and the AWA Facebook page. In 2017, we launched an AWA Instagram account to spotlight competitions and athletes. When possible, we live stream our competitions on the AWA Facebook page.

## Technical Officials

Many technical Officials were committed to our provincial events as well as Jr. Nationals, Westerns, Ogoogo and Sr. Nationals. The number of provincial events held is demanding for the officials and highlights the demand to train additional officials for these events. Training is ongoing.

One of AWA's Officials tested for the level 1 certification, however, was not successful. There were various levels of newer Officials that tested and were successful at obtaining introductory Officials certification.

## Issues, Concerns and Observations

1. Switching Westerns with another province for 2020.
2. Following the 20/20 kg rule.
3. CWF playback cameras for 2020 Junior Nationals
